On March 5th we met to discuss an incident that took place earlier in the day where you used foul language in an abrasive tone of voice towards a co-worker in a public part of the office which left the co-worker feeling very upset. We read over KSA 75-2949(e) that Failure to maintain satisfactory and harmonious relationships with the public and fellow employees is grounds for discipline. If a situation like this happens again I informed you that you will be disciplined and that will go in your official personnel file.

Thank you,
