

Fiscal Year End Pay Periods

Note: This schedule is applicable to Fiscal Year (FY) End Vacation Leave Overage Procedures for Classified Employees in the Executive Branch and for Unclassified Employees who follow Executive Order 04-13.

Dates listed in the “**Last FY Pay Period End / Last Day Vacation Overage May Be Used**” column identify the last day of each “SHARP” Fiscal Year listed. Because the last day of each SHARP FY is a Saturday, employees whose last day of the week is prior to a Saturday will have an earlier vacation overage use by date than what is listed below. Dates are subject to change.
