SECTION 3. Employees excluded from the appropriate unit shall be employees at regent institutions and all supervisory, administrative, classified temporary, confidential, elected officials and all classifications not specifically included in section 2 above. Probationary employees in the above classifications, while serving their "new hire" probationary period shall also be excluded from the unit.

ARTICLE 3

NO STRIKE OR LOCK OUT

KAPE agrees that during the life of this Agreement, neither the organization, its agents, nor its appropriate unit members will authorize, instigate, aid or engage in any organized work stoppage, organized slow-down, organized sick-out, illegal picket or organized strike against the employer.

The employer agrees not to lock out any employees during the term of the Agreement as a result of a labor dispute with KAPE.

ARTICLE 4

MANAGEMENT RIGHTS

This agreement is not intended to circumscribe or modify the existing right of the employer direct the work of its employees; hire, promote, demote, transfer, assign, and retain employees in positions with the employer; suspend or discharge employees for proper cause; maintain the efficiency of the governmental operation; relieve employees from duties because of lack of work or for other legitimate reasons; take actions as may be necessary to carry out the mission in emergencies of the employer, and to determine the methods, means, and personnel by which operations are to be carried on.

It is further specifically agreed that the foregoing enumeration of the rights of the employer shall not be determined to exclude other rights not specifically enumerated unless abridged and modified by provisions included within this agreement. It is also understood there may be other inherent rights of management which may be exercised during the term of this agreement.

Further, this Memorandum of Agreements is not intended to supersede any subject covered by federal or state law, or the authority and power of any civil service system, personnel agency or its agents established by statute, ordinance or special act to conduct and grade merit examinations and to rate candidates in the order of their relative excellence, from which appointments or promotions may be made to positions in the competitive division of the classified service of the employer served by such civil service system or personnel board.

ARTICLE 5

EMPLOYEE RIGHTS

SECTION 1. INHERENT RIGHTS Nothing contained in this agreement shall be construed to limit or deny employees any rights to which they are entitled as citizens of the United States or the State of Kansas.

SECTION 2. PERSONAL LIVES Employees in this unit are accountable for the performance of official duties and for compliance with standards of conduct for law enforcement employees of the State of Kansas. Assuming adherence to these standards, employees in this unit shall have the right to conduct their private lives as they deem fit (except as otherwise provided in Section 4.3 below) and further provided such conduct does not present a conflict with laws, regulations or policies adopted there under.

SECTION 3. REPRESENTATION Employees in this unit may be represented by a person of their choice as provided in and consistent with Article 7, KAPE Rights; Article 8, Personnel Record; Article 34, Discipline; Article 35, Grievance Procedure; and Article 36, Stewards and Representatives. The above representation, however, does not extend to persons who hold themselves out as a representative of any other employee organization.

SECTION 4. OUTSIDE EMPLOYMENT Consistent with the provisions of this article, employees in this unit may secure employment outside their State employment. Before accepting such outside employment, the employee shall submit a written request to the Appointing Authority in the agency in which they are employed, with a copy to the immediate supervisor. The Appointing Authority or his or her designee will respond in writing within ten (10) business days to the employee concerning the employee's request to accept outside employment. If the request is denied, the response shall provide specific reasons for the denial. The response shall not be grievable under the grievance procedure contained in this Memorandum of Agreement, however, the employee may submit his or her response to a denied request to the Kansas Commission on Governmental Standards and Conduct for an advisory opinion. The employee shall provide a copy of the request to the Appointing Authority at the same time the request is provided to the Kansas Commission on Governmental Standards and Conduct. The Appointing Authority of the agency in which the appeal was initiated or his or her designee shall take the advisory opinion under consideration and shall respond in writing concerning their determination, within five (5) business days of the receipt of the advisory opinion.

4.1 The State, as the employer, will not be required to adjust work schedules or make other arrangement for employees to accommodate their outside employment. If a conflict arises with an employee's duties, the employee will be expected to first perform or complete his or her duties and responsibilities for the State.

4.2 In adherence to K.S.A. 75-4301 and 75-4306, employees in this unit must avoid any conflict of interest in any outside employment. Employees who have questions concerning outside employment should contact their supervisor or Human Resource Director.

4.3 The decision to deny an employee's request will take into account various factors including but not limited to the following:

Component parts of this procedure include at a minimum:

5.1 The employer shall request that complaints against employees be submitted in written form and signed by the complainant. If the complainant agrees only to provide a verbal complaint, or if the written complaint appears incomplete, a supervisory level employee in the affected employee's agency assigned by the employer will interview the complainant, attempt to document any pertinent facts associated with the complaint and prepare a written summary of his or her findings. If the complainant refuses to be identified, the complaint will not be processed beyond this point unless the substance of the complaint can otherwise be documented. When a complaint is dropped at this point, the affected employee shall be notified and informed of the nature of the complaint and that the complaint, as presented, will not be processed further and no documentation in any form will be placed in the employee's official personnel file.

5.2 If the complaint is appropriately documented, it shall be forwarded to the employee's immediate supervisor for review and necessary action. A copy of the complaint and all appropriate documentation shall be provided to the employee if, in the opinion of the appropriate agency head or designee, that providing the information to the employee at this point will not hinder any additional investigation necessary to conclude the review.

5.3 Following notification of the complaint and receipt of a copy of the complaint investigation documents, the affected employee shall prepare a thorough description of the events leading to the complaint and forward that report to his or her immediate supervisor. The immediate supervisor will make a determination of the need for further inquiry and once satisfied will forward all documentation to the appropriate agency head or his or her designee.

5.4 If the complaint is found to have merit by the agency head or his or her designee, the employee will be informed in writing of those findings and provided and opportunity to discuss the findings with his or her immediate supervisor. If at any point in the review the complaint is found to be unsubstantiated, a written notice will be provided to the employee, the complainant and the immediate supervisor indicating that the complaint is closed and no documentation of any kind will be placed into the employee's official personnel file.

SECTION 4. Except for positions filled from within an agency, unit employees who apply for an announced vacancy to be filled in a position within the unit and who meet the minimum and preferred qualifications which are applied to all candidates for the position will be interviewed.

ARTICLE 13

HOURS OF WORK AND OVERTIME

SECTION 1. WORKWEEK The workweek for employees in this unit is a regularly recurring period of 168 hours in the form of seven (7) consecutive 24-hour days. The workweek will begin at 12:01 a.m. Sunday, and end at 12:00 p.m. the following Saturday.

3.3 Unless otherwise provided by an immediate supervisor or higher level superior in the employee's chain of command, any work time accumulated within the current work period, prior to the last scheduled work day(s) of the work period, that could result in overtime shall be taken as equivalent time off on an hour-for-hour basis within the same work period in which it was worked.

SECTION 4. COMPENSATORY TIME IN LIEU OF OVERTIME In lieu of paying an eligible employee at the time and a half rate for overtime worked outside the current work period, the employer may elect to compensate an employee for overtime worked by granting compensatory time off, at the rate of one and a half (1 ½) hours off for each hour of overtime worked. An updated compensatory time accrual balance shall appear on the paycheck/advise summary when the employee would have otherwise been paid for the overtime worked.

4.1 Employees shall be permitted to use compensatory time off at a time mutually agreeable to the employee and his or her supervisor. Employee requests to use compensatory time shall not be unreasonably denied.

4.2 Except as noted below, any employee who has accrued 120 hours of compensatory time off shall, for any additional overtime hours of work, be paid overtime compensation for that payroll period. The employer may approve a higher maximum, provided that the maximum shall not exceed 240 hours. An employee who has accrued 240 hours of compensatory time off shall, for any additional overtime hours of work, be paid overtime compensation for that pay period.

4.3 Each employee who has accrued compensatory time off under this subsection may be required by the appointing authority to use the compensatory time within a reasonable period after receiving notice of this requirement. The notice shall state the length of time in which a specified number of hours of compensatory time are to be used.

SECTION 5. ADDITIONAL HOURS If the number of hours actually worked in a workweek or work period is less than or equal to the number of hours for the applicable overtime standard and the employee uses paid leave during the workweek or work period, except as provided below, any additional hours are to be paid at the regular hourly rate of pay. If the employee agrees to the arrangement, hours of leave may be credited back to the employee.

ARTICLE 14

SECTION 2. Employees on stand-by who are called into work shall be compensated for the actual hours worked at the appropriate rate of pay. They shall not be paid stand-by compensation for the hours they actually worked. Only the hours actually worked by the employee shall be credited in determining eligibility for overtime compensation.

SECTION 3. An employee on stand-by as defined in Section 1 above, who is not available when called, and who does not present reasonable justification for failure to report when called shall lose stand-by compensation for that stand-by period and may be subject to the appropriate disciplinary action.

SECTION 4. When the employer designates a particular telephone number at a location designated by the employer or restricts the employee to the employer's premises, the employee shall be compensated at his or her regular rate of pay and shall not receive stand-by compensation.

SECTION 5. Employees who are eligible to receive overtime shall be compensated at the rate of one dollar (\$1.00) for each hour they are required to serve on stand-by status. Any provisions of this section relating to stand-by compensation which are affected by amendments to the Kansas Administrative Regulation as promulgated by the Rules and Regulations Filing Act shall be adhered to as subsequently amended.

ARTICLE 17

CALL-IN AND CALL-BACK

SECTION 1. Except for law enforcement employees in the Kansas Bureau of Investigation, unit employees who are called back to work on their scheduled day off will be given a minimum of two (2) hours work or two (2) hours pay if given less than two (2) hours work. The minimum shall not apply if the employee was on stand-by, nor shall it apply if the employee was called in or called back during the two hour period immediately prior to the beginning of the employee's next scheduled work day. Only hours actually worked shall be credited in determining eligibility for overtime pay or compensatory time off, at the time-and-a-half rate. Law Enforcement employees of the Kansas Lottery, who are called back to work after a regular work schedule, are also entitled to the provisions of this article.

SECTION 2. Except for law enforcement employees in the Kansas Bureau of Investigation, employees who perform work on a scheduled day off pursuant to a request by either their supervisor, or to respond to a request for assistance from a law enforcement agency or a member of the public as provided by agency policy, and under either circumstance such request requires that the employee leave his or her residence, then the employee will be given a minimum of two (2) hours of work or two (2) hours pay if given less than two (2) hours work. If the request can be dealt with by the employee without leaving his or her residence, then the employee shall not be eligible for call-back pay.

SECTION 3. Following the performance of work on a call-in or call-back basis, the employee shall adjust the remainder of his or her work schedule within such workweek or work period to avoid exceeding the applicable overtime threshold. If, however, such request to perform work is made after the employee has actually worked the number of hours necessary to meet the applicable overtime threshold, then payment shall be in the form of pay or compensatory time off, at the time-and-a-half rate.

ACTING ASSIGNMENTS

SECTION 1. An employee in the appropriate unit who has permanent status in one position may be assigned to perform the duties of another position, provided that the acting assignment be for a period of time greater than thirty (30) consecutive days but less than one (1) year, and the employee meets the qualifications for the position. An acting assignment must be approved in advance by the employer. Documentation of the acting assignment shall be signed by the appointing authority and shall be placed in the employee's personnel file.

SECTION 2. Except for employees in unclassified positions, if the employee is acting in a position assigned to a higher salary range than that of the employee's normal position, the employee shall be paid at a step on the higher range that gives the employee an increase in pay. Such an increase shall not exceed the highest step possible if the employee were being promoted to the position. The employee may receive salary step increases in accordance with applicable salary step increase regulations during an acting assignment.

SECTION 3. If the employee is promoted to a position in which the employee has served in an acting assignment, the salary shall remain at the amount paid during the acting assignment. Any accumulated months shall count towards the next pay increase. The time served in the acting assignment may be credited towards the promotional probationary period.

ARTICLE 19

When one of the legal or designated holidays falls on a Sunday, the following Monday shall be the officially observed holiday. A full time employee who is required to work on a legal holiday or on an officially observed holiday shall receive at the employer's discretion either pay or holiday compensatory time at the time and a half rate for the hours worked on the holiday. Holiday compensation is either pay or compensatory time credits at a time and a half rate for those hours worked on a holiday.

SECTION 3. When one of the legal or officially observed holidays falls during an employee's vacation such holiday shall not be counted as a day of vacation.

SECTION 4. Each employee, regardless of work schedule, shall receive a maximum of eight hours of holiday credit for each holiday and shall be given the same number of holidays as are credited to employees whose regular work week is Monday through Friday. Holiday credit means pay or credit for paid time off at a straight-time rate.

If the number of hours worked varies between the two days, holiday compensation shall be calculated for the day on which the employee worked the greatest number of hours.

SECTION 6. A Discretionary Holiday may be designated by the Governor. If so designated, eligible full-time employees shall receive eight hours of pay at their straight time rate in accordance with administrative guidelines.

For the purpose of this article, hours in pay status shall include time off while receiving workers’ compensation wage replacement for loss of work time.

1.2 If an employee taking vacation leave becomes ill or family member as defined in section 2 of this article becomes ill and for all intents and purposes, the employee is deprived of all or a significant portion of the vacation, the appointing authority, upon request of the employee, may charge to sick leave some or all of the time the employee or family member was ill while on vacation.

1.3 Sick leave earned by an employee during a pay period shall be credited to the employee, and available for use, on the first day of the following pay period.

SECTION 2. Sick leave with pay shall be granted for only the following reasons: illness or disability of the employee including pregnancy, childbirth, miscarriage, abortion and recovery therefrom or of a member of the family of the employee when the illness or disability reasonably requires the presence of the employee; appointments for the employee with a physician, dentist or other health practitioner; a family member's personal appointments with a physician, dentist or other recognized health practitioner, when the appointment reasonably requires the employee to be absent from work; the legal quarantine of the employee; or the adoption of a child by an employee or initial placement of a foster child in the home of an employee, when the adoption or initial placement reasonably requires the employee to be absent from work. For the purpose of this article, an employee's "family member" shall be limited to persons related to the employee by blood, marriage or adoption and minors residing in the employee's residence as a result of court proceedings pursuant to the Kansas code for care of children or the Kansas juvenile offenders code.

2.1 The employer may require employees to provide evidence necessary to establish that the employee is entitled to use sick leave under the circumstances of the request. The employer may require an examination of an employee by a licensed health or mental health care professional ultimately responsible for the employee's health care, as designated by the employer at the employer's expense.

2.2 The employer may require the employee to use sick leave if the employer believes the employee cannot perform assigned duties because of illness or disability. Also, the employer may request a written release by a licensed health or mental health care professional before the employee is allowed to return to work.

SECTION 3. Employees retiring from State service shall be compensated for earned but unused sick leave in accordance with the provisions of K.S.A. 75-5517.

ARTICLE 22

SHARED LEAVE

SECTION 1. Each employee in a regular position may be eligible to receive from or donate to any other State employee shared leave as provided in this article. Shared leave may be granted to an employee in the appropriate unit if the employee or a family member as defined in article 13 of this agreement is experiencing a serious, extreme or life-threatening illness, injury, impairment or physical or mental condition which has caused, or is likely to cause, the employee to take leave without pay or terminate employment; and the illness, injury, impairment or condition keeps the employee from performing regular work duties.

SECTION 2. To be eligible to receive shared leave, an employee must have exhausted all paid leave available for use including vacation leave, sick leave, and compensatory time credits; and have six months of continuous service. An employee shall be eligible to donate vacation leave or sick leave to another employee if the donation of vacation leave does not cause the accumulated leave balances of the donating employee to be less than 80 hours for vacation leave and not less than 480 hours of sick leave.

SECTION 3. When requesting shared leave, or at any time during the use of shared leave, the employee may be required by the employer to provide a physician's statement or other medical evidence necessary to establish that the illness, injury, impairment or physical or mental condition of the employee or family member is serious, extreme or life threatening and keeps the employee from performing regular work duties. If such evidence is not provided, the employer may deny or terminate the shared leave. Shared leave may be denied if it is determined by the employer that the requesting employee has a history of leave abuse. Any employee receiving worker's compensation shall not be eligible to receive shared leave.

SECTION 4. No employee shall be coerced, threatened, intimidated, or financially induced into donating leave for purposes of the shared leave program.

SECTION 5. Shared leave may be used only for the duration of the condition for which it was approved and collected.

- 5.1** When an employee is granted shared leave due to his or her illness or injury, the maximum duration of the shared leave shall be six months from the date the employee began using the shared leave. After six months, if the employee does not meet the conditions for long-term disability payments, shared leave may be extended for up to an additional six months.

5.2 When the shared leave is granted due to the illness or injury of a family member, the maximum duration of the shared leave shall be 12 months from the date the employee began using the shared leave.

SECTION 6. The employee shall no longer be eligible to receive shared leave for the particular occurrence if the illness, injury, impairment or condition improves so that it is no longer serious, extreme or life-threatening and the employee is no longer prevented from performing regular work duties; if the recipient terminates or retires; or if the family member's illness, injury, impairment or physical or mental condition is no longer serious, extreme or life-threatening and the employee is no longer prevented from performing regular work duties.

SECTION 7. Any unused portion of the shared leave shall be prorated among all donating employees, except that leave shall not be returned to any person who has left state service.

SECTION 8. The requirements of this article may be waived or modified by the Director of the Division of Personnel Services only upon his or finding that all criteria of K.S.A. 1995 Supp. 75-5549 have been met and that failure to grant the requested waiver or modification would create a manifest injustice or undue hardship on the employee requesting the shared leave or on a family member of that employee.

ARTICLE 23

JURY DUTY OR WITNESS LEAVE

SECTION 1. An employee shall be granted leave with pay to respond to a summons for jury duty in a state or federal court or to comply with a subpoena as a witness before the civil service board, the Kansas Human Rights Commission, the U.S. Equal Employment Opportunity Commission, or a court. An employee shall notify the immediate supervisor upon receipt of such a summons or subpoena. Leave with pay may be granted to an employee for an appearance before a court, a legislative committee or other public body, if the employer considers the granting of leave with pay to be in the best interest of the state. The employer may direct an employee to attend such legal functions without benefit of a summons or subpoena being served on the employee.

SECTION 2. An employee shall not be entitled to witness leave with pay in circumstances where the employee is called as a witness on the employee's own behalf in an action in which the employee is a party.

SECTION 3. An employee who takes leave under this section who receives compensation for a required appearance other than jury duty, shall turn over to the state all compensation except that the employee shall retain the first \$50.00 of such fee and all reimbursed expenses or per diem for travel, meals and lodging, except when an employee travels in a state vehicle, the employee shall turn over to the state any mileage expense payments received.

ARTICLE 24

JOB INJURY LEAVE

Qualifying job injuries shall not include injuries sustained as a result of the intentional actions of a co-worker.

SECTION 2. Subject to the duration limitations provided in section 3 below, an employee who qualifies for job injury leave shall continue to accrue sick and vacation leave credits and participate in all other benefits they would normally receive if not on job injury leave. If the employee is awarded worker's compensation because of a qualifying job injury as defined in K.A.R. 1-9-22(b), the employer shall pay an amount that when added to the worker's compensation will equal the regular salary of the employee.

SECTION 3. The employer may require the employee to return to limited service if the employee becomes capable of performing at a reduced level in the opinion of a physician selected and paid for by the employer. However, any limited duty allowed shall not, in combination with time away from work on job injury leave, exceed the total of six months allowed for job injury leave. The employee shall perform limited service under this subsection at the regular hourly rate of pay.

ARTICLE 25

LEAVE WITHOUT PAY

SECTION 1. An employee may request and may be granted leave of absence without pay for any good and sufficient reason such as illness or disability including pregnancy, childbirth, miscarriage, abortion and recovery therefrom, adoption, initial placement of a foster child in the employee's home, or to care for a family member who has a serious health condition. The employer shall determine whether approval of each request for leave without pay is for the good of the service, and shall approve or disapprove the request on a timely basis considering the circumstances of the request. The provisions of this article shall be applied in a manner consistent with the Kansas Administrative Regulations implementing the Family and Medical Leave Act (FMLA) of 1993.

SECTION 2. Leave of absence without pay shall not exceed sixty (60) calendar days, extendible or renewable to a maximum of six (6) months for a new hire in a regular position without permanent status. For permanent employees a leave of absence shall not exceed one (1) year. Any employee currently without permanent status as a result of promotion or reinstatement may be granted leave without pay under the same conditions as an employee with permanent status, if the employee had permanent status in the class in which the employee was employed immediately prior to the promotion or reinstatement.

SECTION 3. Any such leave which extends beyond thirty (30) calendar days shall be reported to the Director of Personnel Services and shall interrupt the accrual of seniority.

SECTION 4. Upon return to work at the expiration of an authorized leave without pay or upon notice by the employer that the leave without pay has been terminated, the employee shall be returned to a position in the same class as the position which the employee held at the time the leave was granted, or to a vacancy in another class in the same pay grade for which the employee meets the qualifications.

SECTION 5. Failure to return to work at the expiration of an authorized leave without pay, or upon notice by the employer that the leave has been terminated, shall be deemed a resignation.

SECTION 6. Nothing shall preclude a permanent employee returning from leave without pay from applying, and being considered for, a position in a higher salary grade for which the employee meets the qualifications.

ARTICLE 26

TRANSFER OF LEAVE CREDITS

SECTION 1. An employee who transfers from one agency of the state to another shall have all accrued vacation and sick leave credits transferred with the employee.

1.1 If the employee has compensatory time credits at the time of the transfer, the employee shall be paid at the current hourly rate of pay for all such accumulation by the agency form which the transfer is made.

1.2 The provisions of this section shall also apply to an employee who separates from one agency and is appointed to another agency or department on the following work day.

ARTICLE 27

PROFESSIONAL DEVELOPMENT

SECTION 1. Employees in this unit will be encouraged to enhance their job related knowledge and skills through participation in various work related conferences, work shops, and seminars when funding is available. The employee's participation must be approved by the appointing authority in his or her agency. Time spent in the actual training activities and eligible travel time, consistent with the provisions of the Fair Labor Standard Act, will be considered working time and compensable.

SECTION 2. Employees in this unit may be directed by the employer or may request on their own initiative to attend the work related training activities. Requests to attend such functions which are submitted by employees shall indicate the nature of the function to be attended, the time away from normal duties necessary to attend the function, and the approximate costs of registration, per diem or other travel expenses in accordance with applicable rules and regulations established by the Division of Accounts and Reports.

ARTICLE 28

ASSOCIATION LEAVE

The use of paid time off, excluding sick leave and administrative leave, shall not be unreasonably denied for employees in this unit to attend meetings, conferences and/or training related to association business. Association leave does not include meet and confer time.

SECTION 2. For approved use of their privately owned vehicles to participate in under cover activities or for other official state business as approved by their immediate supervisor when a state owned or leased vehicle is not available for use, employees in this unit shall receive private vehicle mileage reimbursement at the maximum rate established by the Division of Accounts and Reports for that category of privately owned vehicle used.

SECTION 3. To avoid undue hardship on employees, the state has contracted, for the duration of that agreement, with the UMB Bank to provide personal credit cards to employees who travel frequently on state business. Even though obtained through the state, each credit card and its use is the personal responsibility of the employee to whom the card was issued.

ARTICLE 32

LAYOFF AND RECALL

SECTION 1. The provisions of this article relate only to employees in the classified service. The appointing authority of each unit agency, with the approval of the Secretary of Administration, may layoff employees in the classified service when the employer deems it necessary by reason of shortage of funds or work, the return of an employee on authorized leave, the abolition of a position or other material changes in duties or organization. The employer may designate a geographic area, an organizational unit and/or job classes within which employees are to be subject to layoff. The employer also may limit the layoff to full-time employees or to employees employed on less than a full-time basis. The employer may also permit an employee to bump into any class in which the employee previously had permanent status. When a layoff is limited to full-time employees or less than full-time employees, any employee with permanent status may exercise bumping rights into a position filled by any employee with probationary status only within the group of employees having the same full-time or less than full time status. Otherwise, any employee with permanent status may exercise bumping rights into positions filled by probationary employees anywhere within the agency, provided the permanent employees meet the required selection criteria for the classes.

SECTION 2. Lay off scores shall be computed by the employer for each employee in the agency in the class or classes of positions identified for layoff and for employees in classes of positions that may be affected by the exercise of bumping rights. Layoff scores shall be computed according to the formula: $A \times L$, where:

A = average performance review rating of the employee, as described below;
and

L = the length of service, as defined in Article 8 of this agreement, expressed in months.

2.1 Except as otherwise authorized by this subsection, the performance evaluation ratings used in computing the layoff score of an employee shall be the average of the most recent ratings for the employee during the last five years, up to and including five ratings, if the employee has as many as five ratings. However, a rating resulting from a special performance review that is given for a rating period ending within 90 calendar days of any notice of the layoff to the director shall not be counted. Performance reviews completed for rating periods ending on or after the date the appointing authority notifies the director in writing that a layoff is to occur shall not be considered in computing layoff scores; however, the appointing authority may designate a uniform earlier cutoff date to identify which performance evaluation ratings shall be used in computing layoff scores.

2.2 For the purposes of calculating layoff scores in accordance with the formula established in this subsection, a rating of exceptional shall have a value of five; a rating of satisfactory, shall have a value of one; and a rating of unsatisfactory shall have a value of zero.

2.3 In case of identical layoff scores, and if some, but not all, of the persons with the same score need to be laid off, preference among such persons shall be given to any veteran, any surviving spouse of a veteran, and any orphan of a veteran, in that order. If further ties remain, preference in retention shall be given to the person with the greatest length of service. If a tie still exists, the next preference shall be given to the person with the greatest length of service within the agency for conducting the layoff.

SECTION 3. The layoff list shall be based on the order of the layoff scores. The person with the lowest layoff score shall be laid off first. If more than one person is to be laid off, the persons to be laid off shall be selected on the basis of the lowest layoff scores.

3.1 Each employee in a position identified for layoff or who may be affected by layoff and each employee who may be laid off through the exercise of layoff bumping rights shall be notified in writing by the employer at least 30 days prior to the date of layoff.

SECTION 4. Bumping shall occur within the layoff group identified in the agency's layoff notice, or agency-wide if the agency has not designated a layoff group. If the criteria set forth in subsections 4.1 and 4.2 of this article have been met, any employee with permanent status, or any employee considered permanent for layoff purposes only, who is scheduled for layoff shall only bump into a lower class in which the employee previously had permanent status, unless the employee's position is in a class which is part of a class series designated by the appointing authority in the agency's layoff notice. If such a class series is designated in the agency's layoff notice, then the employee shall be permitted to bump into a lower class in the class series. Except as provided below, in order for an employee with permanent status to exercise bumping rights, the employee shall meet the following criteria.

4.1 The employee to be bumped shall have a lower layoff score than the person exercising the bumping right.

4.2 The employee to be bumped shall have the lowest layoff score in the employee's job class of anyone in a position not scheduled for layoff.

4.3 No permanent employee shall be laid off if:

4.3.1 Subject to the provisions of Section 1, there is a position filled by a probationary employee anywhere in the agency;

4.3.2 the employee with permanent status scheduled to be laid off is interested in the position; and

4.3.3 the employee with permanent status is eligible for transfer or demotion to the position.

4.4 Any employee who is not scheduled for layoff, but whose position will be vacated during the layoff and bumping process, and who refuses to accept a transfer or demotion to another position, may request to be laid off voluntarily. Any employee who has been granted a voluntary layoff shall have reemployment rights.

SECTION 5. At the layoff conference, each employee shall be informed of his or her right to seek reemployment opportunities with the state, including placement assistance provided by the Department of Administration, Division of Personnel Services. Placement assistance shall be available to the affected employee for up to three years after the effective date of the layoff.

ARTICLE 33

DISCIPLINE

SECTION 1. All disciplinary actions shall be administered in accordance with applicable statutes and regulations. A classified employee's sole recourse on suspensions, demotions and dismissals is in accordance with the Civil Service Act.

SECTION 2. When suspension, demotion or dismissal is proposed, the employee shall receive a written statement of the proposed action and the reason for the proposal. The notice shall specify the date, time and place by, or at which, the employee may reply in writing or appear, or both. If the employee chooses to appear in person on the issue of the proposed suspension, demotion or dismissal, the employee may be represented by a person of the employee's choice who does not hold himself or herself out as a representative of any other employee organization.

SECTION 3. Except for gross misconduct or other detrimental conduct described by statute, employees will generally be counseled and given opportunity to take corrective action or remedy deficiencies in work performance or personal conduct. If warranted in the opinion of the appointing authority, oral and written warnings, training or other remedial actions may be used to assist the employee in avoiding disciplinary action.

SECTION 4. For the purpose of this article and memorandum of agreement, discipline shall be defined as suspension, demotion or dismissal. As indicated above for classified employees, these disciplinary actions will be administered in accordance with the Civil Service Act, and as a result, are not subject to the grievance procedure contained in this memorandum of agreement. For unclassified employees, suspension, demotion or dismissal shall be subject to the grievance procedure contained in this agreement.

SECTION 5. Because written warnings or written reprimands do not have a method of settlement or appeal procedure otherwise established by statute or regulation, these remedial actions are subject to the grievance procedure contained in this memorandum of agreement.

ARTICLE 34

GRIEVANCE PROCEDURE

SECTION 1. Any grievance or dispute arising as to the interpretation or application of the provisions of this agreement shall be settled in the following manner. Nothing in this article or elsewhere in this agreement applies to matters of demotion, dismissal, suspension, performance review ratings or any other subject deemed to apply to matters for which a method of settlement or an appeal procedure is established under appropriate Kansas Statutes or Regulations. This procedure does not apply to employees in the appropriate unit during their probationary period of service.

Except as provided in Section 2 below, an employees may have an appropriate representative present to represent him or her at any step of the grievance procedure if the employee so desires. If the employee is to be represented, the employee shall be represented by a designated KAPE representative, an attorney of the employee's choosing at the employee's expense, or an individual who does not hold herself or himself out as a representative of any other organization. If the employee chooses not to be represented, KAPE shall be notified of the grievance and permitted to participate in all grievance resolution proceedings as an interested party to the interpretation of the agreement, provided the employee specifically agrees to such disclosure and participation. The decision or the resolution of a grievance will only impact that employee's situation and will not set precedent for future grievance resolution.

SECTION 2.

Step 1: The employee shall take up the grievance or dispute with the employee's immediate supervisor within seven (7) calendar days of its occurrence or the employee's knowledge of its occurrence. The supervisor shall then attempt to adjust the matter and shall respond to the employee within seven (7) calendar days. The employee may be represented by a person of his or her choice at any step of the grievance procedure except this oral effort at reconciliation.

Step 2: If the grievance is not settled in step 1, it shall be presented in writing by the employee to the immediate supervisor or his or her designee within seven (7) calendar days after the response from the supervisor is due in step 1 above. The supervisor shall respond in writing to the grievant within 10 calendar days following receipt of the written grievance.

Step 3: If the grievance has not been settled in Step 2, it shall be presented in writing by the employee to the person at the next level of supervision within the chain of command or his or her designee within seven (7) calendar days after the response from the supervisor is due in Step 2 above. The second level superior or his or her designee shall respond in writing within 14 working days following receipt of the written grievance.

Step 4: Grievances which have not been settled in Step 3, may be presented in writing to the appointing authority or his or her designee within 14 calendar days after the response from the second level superior or his or her designee in Step 3 above is due. The appointing authority or his or her designee may hold an informal meeting to obtain information regarding the grievance and shall respond in writing within 14 calendar days to the aggrieved employee. This step shall constitute the last level of administrative appeal within the agency.

SECTION 3. Time limitations at any step of the procedure may be extended by mutual agreement of the parties. Any grievance not so extended or appealed to the next level within the appropriate time limitation specified herein shall be considered settled on the basis of the response received at the previous step and any right to proceed on the matter is deemed waived. The failure of any member of management to respond to the grievant within the appropriate time limitations shall permit the grievant to advance the grievance to the next step of the procedure.

SECTION 4. Any grievance occurring during the period between the termination date of this agreement and the effective date of a new agreement shall not be grievable except by mutual extension of the agreement.

SECTION 5. Discussion of grievances or disputes at any step of the grievance procedure shall be at such time and place as the parties mutually agree upon.

SECTION 6. Nothing in this procedure shall be deemed to prevent employees from exercising any right of appeal, judicial review, or any other legal rights afforded them by law or constitution of the United States or the State of Kansas.

ARTICLE 35

KAPE STEWARDS

SECTION 1. KAPE shall have the right to designate members of the unit to serve as stewards. The employer agrees to recognize these stewards as a means of promoting an effective labor-management relationship through the resolution of grievances with as little delay as possible and through the participation of individuals most affected by the issue.

SECTION 2. KAPE shall provide and update as necessary a list of all stewards to the director of human resources or appointing authority for each of the unit agencies. The list shall identify the geographic area in which each steward shall serve. KAPE reserves the right to assign stewards as desired, but shall make every effort to insure that stewards are assigned within the KBI designated region in which he or she serves. There shall be no more than one chief steward and eight line stewards appointed for this unit.

SECTION 3. Stewards will be allowed a reasonable period of time during working hours, without loss of pay for the purpose of discussing or investigating grievances. Reasonable time for this purpose shall be interpreted to mean not more than eight (8) hours per month for the chief steward and four (4) hours for each line steward. These time limitations shall include time in transit. The use of State-owned vehicles or other travel expense is not authorized for stewards or grievants to participate in the grievance process.

SECTION 4. Upon request of an employee in the appropriate unit for assistance with a grievance, the steward may request to be excused from assigned work activities to discuss or investigate a grievance. A steward and the affected employee must receive permission from their immediate supervisors to leave their work area and/or interrupt an assigned work activity. When a steward requests time to discuss a grievance, the steward shall advise his or her supervisor with whom the discussion will take place and the nature of the grievance to be discussed. The grievant will not be unreasonably denied time during work hours to discuss his or her grievance with a steward, but such paid discussion time shall not exceed (1) hour per grievance.

SECTION 5. Before attempting to act on any problem on behalf of an employee, the steward will insure that the matter has been discussed by the grievant with his or her immediate supervisor.

SECTION 6. Stewards will not use time during working hours to discuss matters connected with the internal management and operation of KAPE, the collection of dues or assessments, the solicitation of membership, the distribution of literature, to campaign for elective office in KAPE or the solicitation of grievances or complaints.

Therefore, the employer and KAPE, for the term of this Agreement, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to meet and confer with respect to any subject or matter not specifically referred to or covered in this Agreement.

A representative of the employer shall notify KAPE, in writing by U.S. mail, of the effective date(s) of this agreement or any of its provisions that have a separate effective date.

All parties agree that this agreement may be reopened, in the manner described below, during the third year of the agreement for the purpose of discussing wages. The entire agreement shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing not less than one hundred twenty (120) days nor more than one hundred fifty (150) days prior to the expiration date, that it desires to amend or modify this Agreement. If notice to modify or amend is given, it shall contain a statement of the general issues or areas in which changes are desired, and meet and confer meetings shall begin not later than thirty (30) days prior to the expiration date. All articles and/or sections of the agreement shall be considered to be continued during the meet and confer process and those Articles not noticed for modification during the meet and confer process shall be included in any successor agreement.
